Working Together, Building Community

The Unity Campaign provides aid to over one third of households in Frederick County annually, who find it challenging to afford essential human needs. The campaign's emphasis this year was on financing initiatives that directly aid the health, education, and financial security of ALICE (Asset-Limited, Income-Constrained, Employed) households.

COIPP

Family Picnic

Children of Incarcerated Parents Partnership (COIPP)

A remarkable organization dedicated to supporting children affected by parental incarceration. COIPP provides a safe and nurturing environment for these vulnerable young individuals to thrive, heal, and build a brighter future. Through mentorship programs, educational support, counseling services, and recreational activities, COIPP offers comprehensive care tailored to meet the unique needs of each child. Together, we can break barriers and empower these deserving children to overcome adversity and reach their full potential.

All money raised is applied directly to projects/activities to assist them, such as fun and educational children's activities, a 'read-one-take-one' book nook and regular sharing fairs at the Detention Center, parenting workshops...and so much more.

—COIPP

Asian American Center of Frederick

The Asian American Center of Frederick is a vital organization dedicated to promoting equity and empowerment for immigrants in Frederick County. They work tirelessly to provide essential tools and resources that help immigrants become independent and successful contributors to our communities. Through their comprehensive services, including health insurance enrollment assistance, interpreter services, and education and training programs, AACF enhances access and fosters growth. They also celebrate and enrich Frederick's cultural diversity through multi-ethnic events and partnerships.

CAMPAIGN STATS

Give In UNITY

To simplify the donation process for various nonprofits in the community, each partnering organization has a dedicated Unity Campaign webpage created annually. These webpages are interlinked, making it convenient for individuals to donate to multiple organizations. Along with the online portal and Apple Pay, United Way of Frederick County also accepts cash and check donations through mail. Donors can make the check payable to UWFC and specify the allocation of their funds in the memo.
