

Report of the COVID-19 Emergency Relief Campaign and the Donors Who Made it Possible

July 31, 2020

Thanks to the outstanding support of hundreds of contributors from throughout Frederick County, United Way of Frederick County is able to commit to significant grants supporting critical local nonprofit organizations and their clients.

This COVID-19 Emergency Relief Campaign has been used to support nonprofits who directly help those adversely affected by the COVID-19 crisis. Programmatic impacts include, but are not limited to, emergency shelter, financial stability programs, transportation needs, prescriptions and medical supplies, food and food supplies for seniors, and suicide prevention and other mental health services. In addition, donations may be used to support general operating expenses for Frederick County nonprofits whose revenues have been reduced by COVID-19-related impacts.

Thanks to the generosity of Marion P. Lee Trust and Giant Eagle to support the COVID-19 campaign and volunteerism activities, United Way of Frederick County is waiving all processing fees so that 100% of your donation will go to those adversely affected by the COVID-19 pandemic.** Donations of critical goods and volunteerism will also be essential in the recovery phase of this crisis. This funding has also allowed United Way to develop GetConnected, an online volunteer management platform to help coordinate volunteer efforts throughout Frederick County. To learn how to volunteer, please visit our website at <http://volunteer.unitedwayfcwc.org/>.

To ensure maximum impact, the funding community (United Way of Frederick County, Ausherman Family Foundation, Community Foundation of Frederick County, Delaplaine Foundation, Inc., The Kahlert Foundation, Helen J. Serini Foundation, Women's Giving Circle and others) is banding together to ensure that dollars are distributed appropriately throughout the community.

Thank you to those who committed matching contributions to encourage support: Ausherman Family Foundation, Laughlin Family Foundation, The Mark and Susan Butt Saturday Mornings Fund, Robert G. Hooper Family Fund, Halleman Family Fund, Michael & Betsy Day, The Jean Ellis and Florence Guss Memorial Fund and The Ken and Lynn Burdette Donor-Advised Fund. The Frederick News Post and Manning Media have been outstanding promotional partners.

As of July 21, 2020, gifts to the COVID-19 Emergency Relief Campaign will be used to support United Way of Frederick County's ongoing response to the COVID-19 crisis.
