United Way of Frederick County’s annual Day of Action is one of Frederick County’s largest single-day volunteer events! Each year, hundreds of volunteers join together to complete service projects throughout the community to better serve local ALICE (Asset Limited, Income Constrained, Employed) households. In 2023, nearly 300 volunteers came together to complete 32 service projects in Frederick County. That’s more than 2,200 service hours provided to our local nonprofit community!

Completed projects benefited organizations including Blessings in a Backpack, Frederick Rescue Mission, Seton Center, Children of Incarcerated Parents Partnership (COIPP), Heartly House, and many more.

New in 2023, projects also included renovation projects for three graduates from United Way’s Pathway to Homeownership program!

2023 Day of Action was made possible thanks to the following sponsors:
